Gold Open Access

Publish as an Open Access article

Make my published article available to everyone.

As an author affiliated with the **Nantes University**, open validation, the agreement between the **Couperin consortium and Elsevier** will cover the APC.

I and others can share and reuse my article in the ways described by the user license I select.

Article Publishing Charge (APC)

Price	EUR 3,160.00
Institutional Agreement Discount	- 3,160.00
To pay (on validation)	0.00

If your institution cannot confirm your affiliation, you will receive a full price invoice for EUR 3,160.00 (ex. VAT). Within 3 weeks of receiving an invoice, you may request Researcher Support to publish free of charge under the Subscription model.

Subscription

Publish as a subscription article

I will publish my article subscription, making my final published article immediately available to journal subscribers, and to other groups as part of Elsevier's programs >.

I understand I can immediately share my article within my institution and privately with collaborators, and share my accepted manuscript publicly in my institution's repository after 12 months. I have additional article sharing rights outlined here >.
